**On January 31, 2015 Jazzy and Maggie gave birth to triplets. Jazzy's babies were named Romeo, Juliet and Tillie; Maggie's were named Meryl, Sci-rocco (Rocky) and Mr. Tumnus. All were born within two hours of each other. As Maggie gave birth, Jazzy helped clean up her babies; not long after, Jazzy went into labor and Maggie helped clean up her**

Hi, I'm Kris Smith, ***an on-call writer for business owners and entrepreneurs who require riveting copy or content so their target audiences stay and play.***

I write captivating websites and other informational and marketing materials that compel readers to engage. I'm painfully aware that online, you have *just eight seconds* to capture your visitors. I don't squander them—or any that follow.

***Does your existing copy or content need a tune-up — or an extreme makeover?***  
If so, please check out the testimonials from my past and present clients at [hireme.wordwhisperer.net](http://hireme.wordwhisperer.net).

Credentials: The author of seven books, my sixth title, *Serval Son: Spots and Stripes Forever*—a cautionary true story about what it's like to own, and be owned by, a wild cat for seventeen years—reached the #2 and #4 spots at Amazon in two niche categories when it debuted in September 2011.

Another title, *Settle for Best: Satisfy the Winner You Were Born to Best* debuted at #1 for three days running in the Motivational Self-Help category at Amazon.

**MARK YOUR CALENDAR! 'DeForest Kelley Up Close and Personal From the Fan Who Knew Him Best,'** a greatly-enhanced edition of my 2001 title *DeForest Kelley A Harvest of Memories, My Life and Times with a Remarkable Gentleman Actor*, will debut on January 8th at Amazon just in time for Star Trek's 50th Anniversary. It will be available in soft cover, e-book and audio versions. It's already getting some serious buzz (the 2001 edition debuted just after 9/11, so it received zero mass media attention) so you can find out more online.
